Lesson:

The first Sunday of the year. Time for new things - new lessons, new stories, new commitments. What will you commit to this year? How will you help the Kingdom this year?

Today's small group guide is a simple discussion of how you can make 2018 the best year of your life?

ICEBREAKER:

What did you do over the Christmas and New Year holiday?

QUESTIONS FOR DISCUSSION:

1. Read the following verses:
Philippians 3:12-14; Romans 8:28-29; 2 Corinthians 4:17-18
 - a. Spiritual transformation is something we should all strive for - what spiritual transformation would you like to make this year?

- b. Romans 8:28-29 says “God causes everything to work together for the good of those who love him and have been called according to his purpose for them...” How can you work together with the church this year to make things great for our congregation?
 - c. 2 Cor 4:17-18 talks about how our troubles now are short lived, that we should focus on the eternal. What are some things you need to quit worrying about now in order to focus on the future?
2. How can you help grow the church at Northwest Tampa this year?
 3. Spend time in prayer for our congregation.
