Spiritually Stuck

Today we'll be looking at how to have a revival. How do we break out of a spiritual rut? What can we do to make sure we re-commit to our Christian walk?

The questions this week are much more reflective than usual. Engage and encourage your members to speak out!

ICEBREAKER:

Have you ever gotten your car stuck in a strange place? Talk about a time you got your car (or something else) stuck.

QUESTIONS FOR DISCUSSION:

1. What times in your life have you struggled the most spiritually?
2. What things in your life distract you the most from Christ?
3. Last week we asked how do you maintain the joy and excitement that you had when you first discovered Christ.

Instead - we need to ask how do you surpass the joy and excitement you had when you first discovered Christ?

4. What are some new things you can try to revitalize your walk with Christ?
5. What things would be a part of you stepping out of your comfort zone in your faith walk?
6. How does one "re-commit" to Christ when they go through spiritual slumps?
7. How does recommitting help you get through the slumps?
8. How does engaging your spiritual community breath life into your Christianity?
9. What is something you can commit to over the next few weeks that will draw you closer to God?
10. Close by reading these passages: Psalm 85:6; Isaiah 57:14-15
