

Discussion Guide ~ 10-7-18

We are in the middle of a series called "This or That." Today we look at going from doubt to faith.

**KEY VERSES -- Numbers 13; Hebrews 11**

**Icebreaker:**

What is your favorite ice cream flavor?

**Study and Application Questions:**

1. How would you define doubt?
2. After all God did for the Israelites, why do you think they were overwhelmed with doubt when God promised He would be with them as they overtook the promised land?
3. Does God test us today? How could God use situations where we could easily doubt as a test?
4. In Numbers 13, what report did the spies give to Moses and the people?
5. How would you define faith?
6. Hebrews 11:1 calls faith a substance and evidence. How is faith a substance? How is it evidence?
7. Quickly glance at Hebrews 11. Which Bible figure stands out the most to you in this faith "hall of fame?"
