

Discussion Guide ~ 1-20-19

Our sermon this week is a continuation of "The Baptized Life" series, called "Buried Alive: A Better Story." Burial is not symbolic in baptism. It is quite literal. **KEY VERSES -- Romans 6:1-7; Colossians 2:11-13; 3:1-3**

Icebreaker Question:

What's the strangest thing you've seen or heard at a funeral?

Application Questions:

1. Why do we tend to fall back into old habits after we break them?
2. People may argue that when we talk about grace and mercy through Jesus, it gives us a license to sin. How does Romans 6:1-7 dismiss the idea of people having a "license to sin?"
3. Read Romans 6:1-3 from "The Message." (it was referenced in the sermon.) How does this analogy help better explain the burial we participate in during baptism?
4. What role does the death of Jesus play in our salvation? (2 Corinthians 5:21)
5. In Colossians 2:11-13 - what does it mean when it says we "were dead in our sins and in the uncircumcision of our sinful nature?" How does "God make us alive with Christ?"
