Love in Action ~ Hearts for Honduras

As God's community we work together to extend His love into this world in greater ways. With that in our hearts we are embarking on a six month endeavor to collect donated items impactful to the mission trip to Honduras this summer. As we share God's message meeting needs opens hearts in greater ways. In this endeavor from January through June we have a specific item each month we are asking you to consider donating. As we invite you to take part in this we would encourage you to reach out to your friends, neighbors, and co-workers, to invite them to take part in this collection drive as well. We ask that donated items are new and meet the specific parameters requested.

January's Item: Wood Kitchen Utensils

In Honduras cooking often takes place over an open fire. Wood cooking tools are essential for these families and will be a great blessing.

Each Sunday we will have a collection point in the lobby that you can drop your donation in. Your consideration and involvement are greatly appreciated and we thank you for your continued prayers. Have any questions? Please reach out to Gina Betz or Tonia Boyer.
